

**FLORIDA STATE UNIVERSITY
DESIGN/BUILD SERVICES QUALIFICATION SUPPLEMENT**

INSTRUCTIONS:

- A) Please type. Attach additional pages for each numbered section, as necessary.
- B) Attach a reproduction of the current Florida Contractor's License and the current Florida Architect's license for the APPLICANT DESIGN/BUILD TEAM.
- C) Attach a letter of intent from a surety company indicating the applicant's bondability for this project. The surety shall acknowledge that the firm may be bonded for each phase of the project, with a potential maximum construction cost of **\$30,000,000.00**. **The surety company must be licensed to do business in the State of Florida, must have a Best Rating of "A", and a required financial size of "Class IX"**.
- D) Number each side of each page consecutively, including letter of interest, brochures, licenses, resumés, supplemental information, etc. Submittals must be limited to 80 pages. Covers, table of contents and divider tabs will not count as pages, provided no additional information is included on those pages. Provide **five (5)** copies of the submittal as specified in the advertisement. **Any submittals exceeding the 80-page limit will be disqualified.**
- E) Only individual firms or formal joint ventures may apply. Two firms may not apply jointly unless they have formed a joint venture. (See Question 2.) Any associations will be disqualified. (This does not preclude an applicant from having consultants.)
- F) When ten related projects are requested (Question 5), do not list more than ten. When up to three project examples are requested, do not list more than three.

3. APPLICANT'S PERSONNEL:

- a. List total number of applicant's personnel, for the applicant office location, by skill group (e.g. project managers, estimators, project engineers, superintendents, registered architects/engineers, technical staff, drafters, etc.) If a joint venture, list number for each party to the joint venture.
- b. Name all key personnel which will be part of the design/build team for this project and provide their cities of residence. Describe in detail the experience and expertise of each team member. (Note: Key personnel must be committed to this project for its duration unless excused by the Owner.)
- c. For each project listed in response to Question No. 5, list the members of the proposed team for this project who worked on each listed project and describe their roles in those projects. (This response may be included with the response to Question No. 5.)
- d. If the team as a whole provided design/build services for any of the projects listed in response to Question No. 5, so indicate. If the team as a whole worked together on a project utilizing another delivery method, so indicate.

4. APPLICANT'S CONSULTANTS: Name any consultants which are included as part of the proposed team. Describe each consultant's proposed role in the project and its related experience. List projects on which your firm has worked with the consultant.

- a. **Do not list specialty consultants by name anywhere throughout the proposal.** Specialty consultants are considered to be any consultant providing services other than those listed under Project Team identified above. Applicants who add disciplines to this form and list specialty consultants by name or who name specialty consultants anywhere in their proposals will be disqualified. If the Applicant feels that its team will require the services of a specialty consultant, it should indicate for which disciplines it

will require specialty consultants. If the Applicant firm has specialty expertise in-house, it may be indicated.

5. EXPERIENCE/REFERENCES:

- a. List the ten projects for which the applicant has provided/is providing design/build services which are most related to this project. In determining which projects are most related, consider: related size and complexity; how many members of the proposed team worked on the listed project; and, how recently the project was completed. List the projects in priority order, with the most related project listed first.
 - b. For each of the listed projects, provide the following information: construction cost (original contract cost and final construction cost), current phase of development, estimated (or past) completion date, type of construction services provided (design/build, CM at risk with GMP, CM-agency, general contractor-low bid, negotiated general contract, subcontractor to prime), Owner's contact person and telephone number, and the name and telephone number of the project architect (if not a design/build project).
 - c. If the listed project was not for design/build services, but only for design or construction, indicate clearly what type of service was provided and which part of the team was involved.
- 6.** Describe your cost control methods for the design and construction phases. How do you develop cost estimates and how often are they updated? For three of the projects listed in response to Question No. 5, provide examples of how these techniques were used and what degree of accuracy was achieved. Include examples of successful value engineering to maintain project budgets without sacrificing quality.
- 7.** Describe the way your firm maintains quality control during the pre-construction and construction phases. For three of the projects listed in response to Question No. 5, provide specific examples of how these techniques were used.
- 8.** Describe the way in which your firm develops and maintains project schedules. How often do you update schedules? For three of the projects listed in response to Question No. 5, provide examples of how these techniques were used. Include specific examples of scheduling challenges, and how your firm helped solve them.
- 9. Do you make the following acknowledgments/certifications?** If so, sign on the line provided below and have your signature notarized.
- a. Regarding information furnished by the applicant herewith, and as may be provided subsequently (including information presented at interview, if a finalist):
 - i) All information of a factual nature is certified to be true and accurate.
 - ii) All statements of intent or proposed future action (including the assignment of personnel and the provision of services) are commitments that will be honored by the applicant if awarded the contract.
 - b. It is acknowledged that:

- i) If any information provided by the applicant is found to be, in the opinion of the Selection Committee or the President, substantially unreliable, this application may be rejected.
- ii) The Selection Committee may reject all applicants and may stop the selection process at any time.
- iii) The selection of finalists for interview will be made on the basis of information provided herein. The interviewed firms will be ranked based on their total scores earned in response to the interview questions to be provided to the finalists and the results of the reference checks.
- iv) It is understood that this submittal must be received at Facilities Design & Construction, 109 Mendenhall Maintenance Building A, Florida State University, Tallahassee, Florida 32306-4152, no later than **2:00 p.m. local time on Friday December 1, 2009**. Facsimile (FAX) submittals will not be considered.
- c. The undersigned certifies that he/she is a principal or officer of the firm applying for consideration and is authorized to make the above acknowledgments and certifications for and on behalf of the applicant.
- d. The undersigned certifies that the Applicant has not been convicted of a public entity crime within the past 36 months, as set forth in Section 287.133, Florida Statutes.
- e. Failure to sign this form will result in disqualification.
